

Multiply Every Sale with Vollara Referral Reward

The Vollara Referral Rewards program helps Vollara Business Owners turn each Air and Surface Pro sale into multiple sales.

How the program works:

1. Make your Air and Surface Pro product presentations.
2. When you have closed the sale share the following: Mary and Jim, my Company does not advertise and relies on great customers like you with word of mouth. Let me ask you a question...
 - a. Who is the number one person you know in the whole world that you think would love to own this technology? (Get the name)
 - b. Great! Another question: Who would be a person that if they wanted the technology, they absolutely could afford to own?

Mary, this is a Fresh Air Mobile. We have your home covered and it would be awesome to have this Mobile for your car and office. Let me make a proposition to you. Let's give these two people a quick phone call and see if they would let us share the same information. If either of these decide to become an owner of the Air and Surface Pro, Vollara will provide you with a \$199.00 Fresh Air Mobile for only \$49.00 with shipping!

New Air and Surface Pro owners contact information

**This will be the person you sold the ASP to*
